

Stuart William Jamieson, M.B., FRCS

CURRICULUM VITAE

Present Position: Distinguished Professor of Surgery
Head, Division of Cardiothoracic Surgery
University of California, San Diego
Medical Center

Business Address: University of California, San Diego
Medical Center
Division of Cardiothoracic Surgery
200 West Arbor Drive
San Diego, CA 92103-8892

Medical School: University of London (St. Mary's Hospital)

Degrees: M.R.C.S. (Lon) 1971
L.R.C.P. (Eng) 1971
M.B., B.S. (Lon) 1971
F.R.C.S. (Eng) 1976

Other: E.C.F.M.G. Examination 1971
Federal Licensing Examination 1979
F.A.C.A.
F.A.C.C.
F.A.C.C.P.
F.A.C.S.

Licensure: General Medical Council, Great Britain and Ireland
State of California

PROFESSIONAL AFFILIATIONS

American Association for Thoracic Surgery
American College of Angiology (Fellow)
American College of Cardiology (Fellow)
American College of Chest Physicians (Fellow)
American College of Surgeons (Fellow)
American Heart Association
(Council on Cardiovascular Surgery)
(Membership and Nominating Committee)
(Board of Directors, San Diego)
American Medical Association
American Society of Transplant Surgeons
(Advisory Committee on Cardiac Transplantation)
California Medical Society
California Society of Thoracic Surgeons (Secretary)
Chilean Society of Cardiology (Honorary Member)
International Society of Heart and Lung Transplantation
(Executive Committee and Past President)
La Jolla Academy of Medicine (Honorary member)
Lyman Brewer Society (Faculty Member)
Pan American Medical Association
(Council, Section on Transplantation)
Royal College of Physicians (Licentiate)
Royal College of Surgeons (Fellow)
Royal Society of Medicine (Fellow)
Santa Clara County Medical Association
San Diego County Surgical Society
Society of Thoracic Surgeons
Society of Surgery of Costa Rica (Honorary Member)
Southern California Transplant Society
St. Paul Surgical Society (Honorary member)
Thoracic Surgery Director's Association
Transplantation Society
Twin City Thoracic & Cardiovascular Surgical Society
Western Thoracic Surgical Association
World Society of Cardiothoracic Surgeons (Past President)

POSITIONS HELD

May - December 1971: House Surgeon, St. Mary's Hospital, London (Mr. H.H.G. Eastcott and Mr. J.R. Kenyon)

January - July 1972: House Physician, Royal Lancaster Infirmary, Lancaster (Dr. A.R. Adamson and Dr. D. Barrett)

August 1972 - March 1974: Research Fellow, Department of Experimental Pathology, St. Mary's Hospital Medical School (Professor K. Porter)

Demonstrator in Anatomy, St. Mary's Hospital Medical School

Honorary Registrar, Renal and Transplantation Units,
St. Mary's Hospital, London

April - September 1974: Casualty Surgeon, St. Mary's Hospital, London

October 1974 - September 1975: Senior House Officer, General Surgery, Northwick Park Hospital, Harrow (Mr. J. Lewis, Mr. A. Elton, Mr. A. Cox)

October 1975 - March 1976: Resident Surgical Officer, Brompton Hospital, London (Mr. M. Paneth, Mr. J. Lincoln)

April 1976 - December 1976: Registrar, Surgical Unit,
St. Mary's Hospital, London (Professor H. Dudley)

January 1977 - December 1977: Surgical Registrar, Brompton Hospital, London (Mr. M. Paneth, Mr. C. Lincoln, Mr. S. Lennox, Mr. W. Cleland)

October 1977: Appointed Senior Surgical Registrar,
National Heart and Chest Hospitals, London

January 1978 - June 1979: Postdoctoral Fellow, Cardiovascular Surgery and Transplantation Service, Stanford University Medical Center

July 1979 - June 1980: Chief Resident, Cardiovascular Surgery, Chief Resident, Cardiac Transplantation Service, Stanford University Medical Center

July 1980 - July 1981: Assistant Clinical Professor, Cardiovascular Surgery, Stanford University Medical Center

August 1981 - 1983: Assistant Professor, Cardiovascular Surgery, Stanford University Medical Center

September 1983 - March 1986: Associate Professor of Cardiovascular Surgery, Stanford University Medical Center

July 1982 - March 1986:

Director, Heart-Lung Transplantation Program.

Director, Cardiac Surgery Experimental Laboratories.

Staff Surgeon, Stanford University Hospital.

Consultant Surgeon, Veterans Administration Hospital, Palo Alto.

March 1986 - June 1989: Professor and Head, Cardiovascular and Thoracic Surgery, University of Minnesota.
Director, Minnesota Heart and Lung Institute.

June 1989 - 2005: Professor and Head, Cardiothoracic Surgery, University of California, San Diego.

2005 - present: Distinguished Professor and Head, Cardiothoracic Surgery, University of California, San Diego.

HONORS AND AWARDS

Medical School prizes in Surgery, Physiology and Pathology

Max Bonn Memorial Medal (St. Mary's Hospital - University of London)

Warren Low Prize in Surgery (St. Mary's Hospital), 1974

"Young Investigator Award" by European Congress of Cardiology, 1976

British Heart Foundation - American Heart Association Fellowship Award, 1978

Irvine H. Page Atherosclerosis Research Prize by the American Heart Association, 1978

J. Maxwell Chamberlain Memorial Paper, Society of Thoracic Surgeons, 1984.

Medal of the Danish Surgical Society, 1986

President, International Society for Heart Transplantation, 1986- 1988

Master Teacher Award, Cardiovascular Reviews and Reports, 1990.

Honorary Member, Chilean Society of Cardiology, 1994.

Honorary Member, Society of Surgery of Costa Rica, 1996.

Secretary, California Society of Thoracic Surgeons, 1997-present.

J. Maxwell Chamberlain Memorial Paper, Society of Thoracic Surgeons, 2003.

President, International Society of Cardio-Thoracic Surgeons, 2003.

COMMITTEES, EDITORIAL BOARDS

National:

Board of Directors, United Network for Organ Sharing
Heart Transplantation Committee, United Network for Organ Sharing
Council, International Society of Cardiac Transplantation
Associate Editor, Circulation
Editorial Board, Cardiovascular Drugs and Therapy
Editorial Board, Heart Transplantation
Editorial Board, Cardiovascular Therapy
Editorial Board, Transplantation
Editorial Board, Clinical Transplantation
Editorial Board, Transplantation Science
Editorial Board, Journal of Cardiovascular Surgery
Editorial Board, Graft
Reviewer for Annals of Thoracic Surgery, Circulation, Journal of Thoracic and Cardiovascular Surgery, Journal of Heart and Lung Transplantation, Transplant International, The Lancet, etc.
Advisory Scientific Committee, International Symposium on Organ Procurement
Advisory Committee on Cardiac Transplantation, American Society of Transplant Surgeons
North Research Peer Review Committee, California Heart Association
Research Council, American Heart Association, Santa Clara County Chapter
Committee on Organ and Tissue Transplantation, California Medical Association
Board of Directors, American Heart Association, San Diego Chapter
Advisory Committee on Transplantation, Thoracic Surgery Directors' Association
Councillor, Dameron Hospital Heart Institute

San Diego:

Board of Directors, San Diego Hospice
Research Committee, San Diego Zoo
Numerous Committees UCSD Medical Center and UCSD

RESEARCH SUPPORT

Principal Investigator: "Effect of Platelet-Active Agents on Antibody-Induced Atheroma"
1978-1979

Co-Investigator: "Clinical Heart Transplantation" NHLBI (HL13108)
1978-1983

Principal Investigator: "Immune-Mediated Endothelial Injury"
1981-1982

Co-Principal Investigator: "Orthotopic Heart Transplantation" NHLBI (HL08696)
1982-1983
1984-1987

Co-Principal Investigator: "Cardiovascular Surgical Studies of Platelet-Mediated Intimal Injury"
1982-1985

Co-Investigator: "Effects of PGI₂ on Platelet Secretory Function and Psychometric/Neurological Impairment During Cardiopulmonary Bypass"
1982-1985

Co-Investigator: "Clinical Heart and Heart-Lung Transplantation" (HL13108)
1983-1987

Principal Investigator: "Medicare Heart Transplant Study", Stanford
1983-1984

Principal Investigator: VA Co-Operative Study, Palo Alto ; "Effect of Anti-Platelet Agents on Graft Patency After Coronary Artery Bypass Surgery".
1983-1986

Principal Investigator: "Effect of PGE₁ on Immune-Mediated Vascular Disease"
1987-1988

Principal Investigator: "Clinical Research Project", Cystic Fibrosis Foundation
1987-1990

Co-Investigator: "Phase III, randomized, double blind comparison of oral valganciclovir and placebo for prevention of CMV disease after lung transplantation."
2003-2008 (In progress)

 40. Update on Cardiac Transplantation. American Heart Association. San Jose 1982.
 41. Surgical Management of Coronary Artery Disease. Department of Anesthesia, Stanford University Medical Center 1982.
 42. Invited Lecturer. Heart and Lung Transplantation. Philippine Heart Association. Philippines 1982.
 43. Invited Lecturer. Coronary Artery Surgery - Strategy and Results. Philippines 1982.
 44. Update on Clinical Heart and Lung Transplantation. Grand Rounds, Presbyterian Hospital. San Francisco 1982.
 45. Cardiac Transplantation. University Hospital. Porto Alegre, Brazil 1982.
 46. Invited Lecturer. Late Results of Aorto-Coronary Saphenous Vein Bypass Surgery. Sao Paulo, Brazil 1982.
 47. A Decade of Myocardial Revascularization Surgery. Lecture to Unicor Symposium on Heart Disease. Brazil 1982.
 48. Identification of High Risk Patients, and Current Results of Coronary Artery Surgery. Symposium on Coronary Heart Disease, Veterans Administration Hospital. Fresno 1982.
 49. Heart and Heart-Lung Transplantation. St. Joseph's Hospital, Stockton 1982.
 50. Invited Speaker. New Aspects of Cardiopulmonary Transplantation. Scientific Sessions, Utah State Medical Association 1982.

51. What's New in Cardiothoracic Surgery. Utah State Medical Association. Salt Lake City 1982.
52. The History of Heart Transplantation. Volunteer Conference. Stanford 1982.
53. Heart and Lung Transplantation. San Jose Hospital, California 1982.
54. Guest Speaker. Medical Staff Symposium, St. Rose Hospital. Hayward. California 1982.
55. Diagnosis and Treatment of the Sequelae of Acute Myocardial Infarction. Postgraduate Course on Intensive Care. Stanford 1982.
56. Invited Speaker. Present Status of Cardiac Transplantation. First International Middle East Organ Transplantation Symposium. Kuwait December 1982.
57. Experience and Results of Heart-Lung Transplantation. Kuwait 1982.
58. The Diagnosis and Treatment of Cardiac Allograft Rejection. Kuwait 1982.
59. Cardiopulmonary Transplantation. Methodist Hospital, Los Angeles. February 1983.
60. Keynote Address. Dimensions in Surgery. Postgraduate Education Course, Daniel Freeman Hospital, Los Angeles. February 1983.
61. Medical Grand Rounds. Highland Hospital. Oakland, California. March 1983.
62. Chairman, Third Meeting of International Heart Transplantation Society. New Orleans. March 1983.
63. Invited Speaker. Heart-Lung Transplantation. International Heart Transplantation Society. New Orleans. March 1983.
64. Invited Speaker. Technique and Results of Cardiopulmonary Transplantation. 14th Annual Course on Cardiac Surgery. Royal College of Surgeons. London. March 1983.
65. Medical Grand Rounds. Merritt Hospital, California. Transplantation in Cardiology. April 1983.
66. Invited Speaker. Cardiology for the Consultant. Rancho Santa Fe, University of Kansas. Development of Transplantation; Selection of Donor and Recipient. April 1983.
67. Post-Operative Management. Rancho Santa Fe. April 1983.
68. Heart and Lung Transplantation. Rancho Santa Fe, California. April 1983.
69. Invited Speaker. 14th Annual Meeting of the Italian Transplantation Society. Verona, Italy. April 1983.
70. Transplantation. Biological Sciences. Stanford University. April 1983.
71. Invited Speaker. Cardiac Day, Providence Medical Center, Seattle. Replacement of the Heart for Ischemic Cardiomyopathy. April 1983.
72. Heart and Lung Transplantation. Seattle. April 1983.
73. Infectious Complications in Cardiac Transplantation. Department of Infectious Disease, Stanford. May 1983.
74. Invited Speaker. Second Annual Symposium of the Western Heart Institute. California. May 1983.
75. Invited Speaker. Ottawa Civic Hospital. Cardiac Transplantation. Ottawa. May 1983.
76. Diagnosis and Treatment of Cardiac Rejection. Ottawa. May 1983.
77. Current Status of Cardiac Transplantation. Grand Rounds, Toronto General Hospital. Toronto. May 1983.
78. Grand Rounds. Transplantation. Wellesley Hospital, Toronto. May 1983.

79. Invited Speaker. Heart and Lung Transplantation. Toronto. May 1983.
80. Grand Rounds. London University Hospital. London, Ontario. Current Aspects of Transplantation and Immunosuppression. May 1983.
81. Clinical Heart and Lung Transplantation. American Society of Transplant Surgeons. Chicago, Illinois. June 1983.
82. Grand Rounds. Transplantation. Alexian Brothers Hospital, San Jose. June 1983.
83. Coronary Artery Disease. Postgraduate Medical Course, Hawaii. July 1983.
84. Heart-Lung Transplantation. Postgraduate Medical Course, Hawaii. July 1983.
85. Heart and Heart-Lung Transplantation. Surgical Grand Rounds. Stanford. August 1983.
86. Invited Speaker. Tarzana Medical Center, Los Angeles. September 1983.
87. Invited Speaker. Oregon Medical Society. Portland, Oregon. September 1983.
88. Invited Speaker. Merced Community Hospitals. California. October, 1983.
89. Invited Speaker. Canadian Cardiovascular Society. Toronto, Canada. October 1983.
90. Invited Speaker. American College of Chest Physicians. Chicago. October 1983.
91. Keynote Address. American Osteopathic Association. New Orleans. October 1983.
92. Grand Rounds. St. Mary's Hospital, Waterbury, Connecticut. October 1983.
93. Visiting Professor. Hitchcock Clinic (Dartmouth Medical Center), New Hampshire. October 1983.
94. Postgraduate Course on Intensive Care. Stanford, October 1983.
95. Invited Speaker. Clinic Day, Jewish Hospital (McGill University). Montreal, Canada. November 1983.
96. Heart-Lung Transplantation for Eisenmenger's Syndrome. American Heart Association. Anaheim, California. November 1983.
97. Visiting Professor. Loma Linda University. November 1983.
98. Invited Speaker. Cardiology Symposium. Stanford. November 1983.
99. Memorial Lecture. 25th Anniversary of Open Heart Surgery in Bavaria. Munich. November 1983.
100. Invited Speaker. Lyman Brewer International Surgical Society. Current Status of Cardiac Replacement. Los Angeles. December 1983.
101. Surgery for Acute Myocardial Infarction. Lyman Brewer International Surgical Society. Los Angeles. December 1983.
102. Invited Speaker. Symposium on Modern Trends in Immunosuppression. Rotterdam. December 1983.
103. Invited Participant. NIH Conference on Donor Procurement. Bethesda. January 1984.
104. Invited Speaker. Symposium on the Current Status of Tissue and Mechanical Replacement of the Heart. Tampa, Florida. January 1984.
105. Invited Speaker. International Cardiovascular Symposium. San Antonio, Texas. January 1984.
106. Invited Speaker. J. Maxwell Memorial Paper. Society of Thoracic Surgeons. San Antonio, Texas. January 1984.
107. Invited Speaker. Postgraduate Assembly in Surgery. San Diego. January 1984.

108. Invited Speaker. Round Table Symposium on Applied Immunology. Austria. February 1984.
109. Invited Speaker. Sunrise Hospital. Las Vegas, Nevada. February 1984.
110. Invited Speaker. National Symposium for Critical Care Nurses. Wichita, Kansas. March 1984.
111. Invited Speaker. Luncheon Symposium. American College of Cardiology. Dallas. March 1984.
112. Invited Speaker. Sequoia Hospital, California. April 1984.
113. Invited Speaker. NIH National Symposium on Imperatives in Research. Washington. April 1984.
114. Medical Grand Rounds. Mount Sinai Hospital. New York. April 1984.
115. Invited Speaker. International Society for Heart Transplantation. New York. May 1984.
116. Autrey Croke Memorial Lecture. Colorado Springs, Colorado. May 1984.
117. Invited Speaker. Current Concepts in Medical, Surgical and Anesthetic Management in Adult Heart Disease. University of Florida. Orlando, Florida. June 1984.
118. Medical Grand Rounds. Queen's Hospital. Honolulu. July 1984.
119. Surgical Grand Rounds. St. Francis Hospital. Hawaii. July 1984.
120. Invited Speaker. Heart and Heart-lung Transplantation. In Current Concepts in Cardiology. University of California, Davis. August 1984.
121. Invited Speaker. Cardiac Valve Replacement. In Current Concepts in Cardiology. University of California, Davis. August 1984.
122. Plenary Address. 10th. Congress of the International Transplantation Society. Minnesota. August 1984.
123. Late Results of Heart-Lung Transplantation. 10th Congress of the International Transplantation Society. Minnesota. August 1984.
124. Invited Speaker. Cardiac Transplant Symposium. Indianapolis. September 1984.
125. Invited Speaker. San Francisco Surgical Society. September 1984.
126. Invited Speaker. 40th Brazilian Congress of Cardiology. Sao Paulo, Brazil. September 1984.
127. Invited Speaker. Department of Surgery, University of Minnesota, Minneapolis, Minnesota. September 1984.
128. Invited Speaker. Advances in Cardiology. Barcelona, Spain. October 1984.
129. Invited Speaker. Research Seminar, St. Justine Hospital. Montreal, Canada. November 1984.
130. Invited Speaker. Quebec Society of Thoracology. Quebec, Canada. November 1984.
131. Invited Speaker. American Association of Respiratory Therapists. Phoenix, Arizona. November 1984.
132. Invited Speaker. American Ambulance Association. Las Vegas, Nevada. November 1984.
133. Invited Speaker. American Heart Association. Orinda. November 1984.
134. Grand Rounds. Herrick Hospital. California. January 1985.
135. Invited Speaker. National Aeronautic and Space Administration, Ames Research Center. California. January 1985.
136. Invited Speaker. 19th Postgraduate Course, Society of Thoracic Surgeons. Phoenix, Arizona. January 1985.

137. Invited Speaker. 23rd Annual Scientific Seminar, Brotman Medical Center, Los Angeles. February 1985.
138. Stanford Course on Cardiac Transplantation. Palo Alto, California. February 1985.
139. Invited Speaker. Sierra Cardiopulmonary Conference (American College of Chest Physicians). Lake Tahoe, California. February 1985.
140. Chairman. Heart-Lung Transplantation, International Society of Heart Transplantation. Anaheim, California. March 1985.
141. Invited Speaker. National Cardiovascular Center. Japan. March 1985.
142. Invited Speaker. Keio University. Tokyo, Japan. March 1985.
143. Co-Director. Workshop on Heart Transplantation. American College of Physicians. Washington, DC. March 1985.
144. Invited Speaker. Right Heart Symposium. Phoenix, Arizona. April 1985.
145. Invited Speaker. Florida Society of Thoracic and Cardiovascular Surgeons. Miami, Florida. May 1985.
146. Invited Speaker. First Annual Conference for the Directors of Surgery in Boston. Boston, Massachusetts. May 1985.
147. Invited Speaker. International Symposium on Cardiac Bioprostheses. London. May 1985.
148. Invited Speaker. Cardiology Symposium, The Children's Hospital. Boston, Massachusetts. May 1985.
149. Invited Speaker. Advances in Internal Medicine. Banff, Canada. June 1985.
150. Plenary Address. Inter-American Congress of Cardiology. Vancouver, Canada. June 1985.
151. Co-Chairman. Pericardial Disease. Inter-American Congress of Cardiology. Vancouver, Canada. June 1985.
152. Invited Speaker. Combined Heart and Lung Harvesting and Preservation. Second International Symposium on Organ Procurement. Detroit, Michigan. October 1985.
153. Moderator. Heart Preservation. Second International Symposium on Organ Procurement. Detroit, Michigan. October 1985.
154. Invited Speaker. Course on Cardiac Transplantation. Stanford. San Francisco, California. 1985.
155. Plenary Address. Tenth Annual Scientific Meeting, American Society for Histocompatibility and Immunogenetics. San Diego. October 1985.
156. Invited Speaker. Technology Management Conference, Blue Cross and Blue Shield Association. Chicago. October 1985.
157. Invited Speaker. American Heart Association. Washington. October 1985.
158. Invited Speaker. Oakland University, Michigan. October 1985.
159. Invited Faculty. American College of Chest Physicians. New Orleans. October 1985.
160. Invited Speaker. International Symposium on Medical, Ethical and Economic Aspects of Organ Transplantation and Procurement. Cleveland, Ohio. November 1985.
161. Visiting Professor. Jewish Hospital. Louisville, Kentucky. November 1985.
162. Invited Speaker. Florida Heart Institute. Orlando, Florida. December 1985.

163. Cardiovascular Rounds. Pacific Medical Center, San Francisco. December 1985.
164. Invited Speaker. NIH Symposium on Transplantation. Seattle, Washington. December 1985.
165. Invited Speaker. American College of Cardiology Symposium. New York. December 1985.
166. Invited Speaker. Society of Thoracic Surgeons. Washington D.C. January 1986.
167. Invited Speaker. Coronary Artery Bypass Surgery, 1986: A Surgeon's Perspective. American College of Chest Physicians. Rancho Mirage, California. February 1986.
168. Invited Speaker. Heart and Heart-Lung Transplantation. American College of Chest Physicians. Rancho Mirage, California. February 1986.
169. Invited Speaker. Heart-Lung Transplantation. Renal and Cardiac Transplantation: Update 1986. Humana Hospital. San Antonio, Texas. April 1986.
170. Plenary Address. 6th Scientific Session of the International Society for Heart Transplantation. New York. April 1986.
171. Invited Speaker. Early Intervention for Myocardial Infarction. University of Minnesota, Trauma and Critical Care Surgery Course. Minneapolis, Minnesota. June 1986.
172. Invited Speaker. Early Intervention in Myocardial Infarction. University of Minnesota, Primary Care Physicians Course. Brainerd, Minnesota. June 1986.
173. Chairman and Mediator. XI International Congress of the Transplantation Society. Helsinki, Finland. August 1986.
174. Invited Speaker. Heart-Lung Transplantation. European Society for Surgical Research. Santander, Spain. September 1986.
175. Keynote Speaker. Problems with Combined Cardio-Pulmonary Transplantation. Royal College of Surgeons (Canada). Toronto, Canada. September 1986.
176. Invited Speaker. Preservation Techniques in Heart-Lung Transplantation. American College of Chest Physicians. San Francisco. September 1986.
177. Invited Speaker. Heart Transplantation. Danish Surgical Society. Copenhagen, Denmark. November 1986.
178. Invited Speaker. Invitational Conference on Ethics and Justice in Organ Transplantation. Loma Linda. November 1986.
179. Invited Speaker. Florida Heart Institute. Orlando, Florida. January 1987.
180. Co-host and invited Speaker. Symposium on The Changing Nature of Staphylococcal Infections: Implications for Antibiotic Prophylaxis in Vascular and Prosthetic Surgery. Scottsdale. February 1987.
181. Presidential Address. Seventh Annual Scientific Sessions, International Society for Heart Transplantation. New Orleans. March 1987.
182. Invited Speaker. International Meeting on Heart Transplantation, Total Artificial Heart and Assist Devices. Brussels. March 1987.
183. Invited Speaker. University of Minnesota, Allergy and Clinical Immunology Course. Minneapolis, Minnesota. April 1987.
184. Co-host and invited Speaker. Grand Opening of Minnesota Heart and Lung Institute. Minneapolis, Minnesota. April 1987.
185. Invited Speaker. Des Moines Heart Club, Des Moines, Iowa. April 1987.

186. Invited Speaker. University of Minnesota, Family Practice Review: Update 1987. Minneapolis, Minnesota. April 1987.
187. Invited Speaker. Third Puerto Rican Congress of Cardiology. San Juan, Puerto Rico. April 1987.
188. Invited Speaker. International Conference on Primary Pulmonary Hypertension. Philadelphia. May 1987.
189. Invited Speaker. 7th Meeting on Progress and Controversies on Ischemic Heart Disease. Sao Paulo, Brazil. May 1987.
190. Invited Speaker. University of Minnesota, Primary Care Physician Course. Brainerd, Minnesota. June 1987.
191. Invited Speaker. International Symposium on the Treatment of End-Stage Coronary Artery Disease. Antwerp, Belgium. June 1987.
192. Invited Speaker. Symposium on Frontiers in the Treatment of the Failing Heart. Indianapolis. September 1987.
193. Invited Speaker. American Society of Thoracic Surgeons. Toronto, Canada. September 1987.
194. Co-Chairman and Co-Moderator. American College of Chest Physicians. Atlanta, Georgia. October 1987.
195. Invited Speaker. 8th Asian Congress of Thoracic and Cardiovascular Surgery. Singapore. October 1987.
196. Workshop Chairman. Second International Congress on Cyclosporine. Washington D.C. October 1987.
197. Invited Speaker. Recent Advances in Cardiovascular Surgery. Capetown, South Africa. December 1987.
198. Invited Speaker. St. Mary's Hospital, Milwaukee, Wisconsin. January 1988.
199. Invited Speaker. Central Florida Chapter of the American Heart Association. Orlando, Florida. February 1988.
200. Invited Speaker. Coronary Artery Surgery in 1988. Symposium on Advances in Heart Disease. Minneapolis, Minnesota. February 1988.
201. Invited Panelist. Meet the Experts. American College of Cardiology. Atlanta, Georgia. March 1988.
202. Chairman. Symposium on Transplantation. American College of Cardiology. Atlanta, Georgia. March 1988.
203. Visiting Professor. University of Iowa, Iowa City, Iowa. April 1988.
204. Invited Speaker. American College of Surgeons, Iowa Chapter. Iowa City, Iowa April 1988.
205. Presidential Address. Eighth Annual Scientific Sessions, International Society for Heart Transplantation. Los Angeles, California. April 1988.
206. Chairman. Scientific Session, International Heart Transplantation Society. Los Angeles, California. April 1988.
207. Invited Speaker. Mechanical Circulatory Assist and the Artificial Heart. Society for Critical Care Medicine. Orlando, Florida. June 1988.
208. Plenary Address. Society for Critical Care Medicine. Orlando, Florida. June 1988.
209. Invited Speaker. Heart-Lung Transplantation in 1988. Japanese Society of Thoracic Surgery. Tokyo,

- Japan. October 1988.
210. Invited Speaker. American College of Surgeons - Postgraduate Teaching Course. Chicago, Illinois. October 1988.
 211. Invited Speaker. National Cardiovascular Meeting. Brazil, 1988.
 212. Invited Speaker. Aortic Homografts. American College of Cardiology. Anaheim, California. March 1989.
 213. Invited Speaker. Capetown Cardiological Society. Capetown, South Africa. May 1989.
 214. Invited Speaker. Maurice Shevick Lecture. Parkview Community Hospital. Riverside, California. September 1989.
 215. Invited Speaker. San Diego Heart Institute. Cardiology: Current and Future Trends. San Diego, California. October 1989.
 216. Invited Speaker. Annual American Heart Meeting. Heart - Lung Transplantation. Kaiser Foundation Hospital. Los Angeles, California. November 1989.
 217. Invited Speaker. American College of Cardiology. Adults With Congenital Heart Disease. Coronado, California. January 1990.
 218. Invited Speaker. Cardiology '90 Cardiovascular Symposium. Reflections on the Future of Organ Transplantation. La Jolla, California. January 1990.
 219. Invited Speaker. Recent Advances in Geriatric Medicine 1990. Ischemia Medical and Interventional Treatments. San Diego, California. February 1990.
 220. Invited Speaker. Physician Heal Thyself Conference. Indications for Coronary Artery Bypass Surgery. La Jolla, California. February 1990.
 221. Invited Speaker. Coronary surgery or angioplasty? San Diego Heart Institute. San Diego, California. March 1990.
 222. Chairman and Moderator. Acute rejection. Tenth Annual Meeting of the International Heart Transplantation Society. Fort Lauderdale, Florida. April 1990.
 223. Invited Speaker. Saddleback Hospital, Orange County, California. July 1990.
 224. Invited Speaker. Buena Vista Hospital, Anaheim, California. September 1990.
 225. Invited Speaker. AMSECT meeting. Palm Springs, California. September 1990.
 226. Invited Speaker. North Hawaii Community Hospital. Hawaii. November 1990.
 227. Surgical Grand Rounds. Scripps Memorial Hospital, San Diego, California. November 1990.
 228. Invited Speaker, American College of Cardiology Meeting. "Adults with Congenital Heart Disease". San Diego, California. January 1991.
 229. Invited Speaker. "Organ Procurement for Transplantation". Postgraduate Assembly in Surgery. San Diego, California. February 1991.
 230. Invited Speaker. "Perfusion Considerations in Intrathoracic Transplantation". Continuing Education and Research, San Diego, California. February 1991
 231. Invited Speaker. Physician Heal Thyself Conference. Angioplasty versus Bypass Surgery. San Diego, California. March 1991.
 232. Grand Rounds. Pacific Coast Hospital. Laguna Niguel, California. April 1991.
 233. Foreman Memorial lecture. "Surgical Treatment of Chronic Pulmonary Embolism". 27th Annual

- Arizona Chest Symposium. Tucson, Arizona. April 1991.
234. Invited Speaker. American Society for Clinical Therapeutics. San Diego, California. May 1991.
 235. Invited Speaker. Coronary Artery Disease in the 1990's. San Antonio, Texas. May 1991.
 236. Surgical Grand Rounds. Grossmont Hospital. San Diego, California. August 1991.
 237. Invited Speaker. Cardiac Transplant Symposium. Grosshaden University. Munich, Germany. September 1991.
 238. Grand Rounds. Children's Hospital of Orange County. Los Angeles, California September 1991.
 239. Invited Speaker and chairman. Fourth Annual Symposium of the Mediterranean Society of Cardiology and Cardiac Surgery. Alexandria, Virginia. September 1991.
 240. Invited Speaker. American Society for Extracorporeal Circulation. Lake Tahoe, California. October 1991.
 241. Invited Speaker. Symposium on Cardiac Surgery. Stratford-on Avon, England. October 1991.
 242. Invited Speaker. Frontiers in Cardiovascular Medicine. Biomedical Business International Conference. Los Angeles, California. November 1991.
 243. Invited Speaker. University of California Postgraduate course. La Paz, Mexico. November 1991.
 244. University of California San Diego Distinguished Faculty lecture. San Diego, California. November 1991.
 245. Invited Speaker. Phi Delta Kappa, San Diego, California. January 1992.
 246. Invited Speaker. American College of Cardiology meeting on Congenital Heart Disease in the Adult. San Diego, California. January 1992.
 247. Invited Speaker. Aortic Dissections. Postgraduate course in Surgery. San Diego, California. February 1992.
 248. Medicine Grand Rounds. University of California at San Diego, California. February 1992.
 249. Invited Speaker. Association of Operating Room Nurses. Dallas, Texas. March 1992.
 250. Chairman of Session on Transplantation. American College of Cardiology Annual Meeting. Dallas, Texas. April 1992.
 251. Invited Speaker. ABC hospital. Mexico City, Mexico. May 1992.
 252. Invited Speaker. Centro Medico SIGLO XXI. Mexico City, Mexico. May 1992.
 253. Invited Speaker. Hospital Angeles. Mexico City, Mexico. May 1992.
 254. Results and experience of 150 pulmonary thrombo-endarterectomy operations over a 29 month period. American Association for Thoracic Surgery. Los Angeles, California. May 1992.
 255. Invited Speaker. Oklahoma Lung Association. Tulsa, Oklahoma. June 1992.
 256. Surgical grand rounds and Visiting Professor. UCLA School of Medicine. Los Angeles, California. September 1992.
 257. Invited Speaker. American College of Cardiology Symposium. Colorado. January 1993.
 258. Invited Speaker. American College of Cardiology Symposium - Congenital Heart Disease in the Adult. San Diego, California. January 1993.
 259. Invited Speaker. Surgery Symposium. San Diego, California. February 1993.

260. Invited Speaker. Topics and Advances in Internal Medicine, San Diego, California. February, 1993.
261. Invited Speaker. Symposium on Pulmonary Hypertension. San Diego, California. March 1993.
262. Invited Speaker. La Jolla Academy of Medicine. San Diego, California. April 1993.
263. Invited Speaker, South African Society of Cardiac Practitioners. Johannesburg, South Africa. July 1993.
264. Invited Speaker. Polish Society of Cardiologists. Warsaw, Poland. September 1993.
265. Panelist. Heart and Lung Transplantation, American Heart Association Meeting, Los Angeles, California. September 1993.
266. Invited Speaker. First Annual Cardiothoracic Symposium. California Center for Cardiac Surgery. Los Angeles, California. September 1993.
267. Visiting Professor. University of Illinois. Chicago, Illinois. September 1993.
268. Invited Speaker. Heart Disease in Women, Children and Minorities, 61st Annual. American Heart Association Meeting, Los Angeles, California. September, 1993.
269. Lecturer. Human Anatomy Course, University of California at San Diego, California. September, 1993.
270. Invited Speaker. Neonatal Cardiac Care, University of California at San Diego, Medical Center. San Diego, California. October 1993
271. Visiting Professor. RUSH University, Chicago, Illinois. October 1993.
272. Invited Speaker. Cardiology Grand Rounds, University of California at San Diego, California. November 1993.
273. Invited Speaker. Grand Rounds, Grossmont Hospital, San Diego, California. November 1993.
274. Invited Speaker. Women's Club, La Jolla. November 1993.
275. Invited Speaker. University Medical Center, Monterrey, Mexico. November 1993.
276. Invited Speaker. UCSD Foundation Board of Trustees. San Diego. December 1993.
277. Invited Speaker. AORN - San Diego, California.
278. Co-director and Speaker - Cardiothoracic Surgery and Medicine Course, San Diego, California. January 1994.
279. Surgery Grand Rounds. University of California at San Diego, California. February 1994.
280. Invited Speaker. Tri-Chest Convention, Manila, Philippines. March 1994.
281. Invited Speaker. Brazilian Congress of Cardiac Surgery. Brazil. March 1994.
282. Invited Speaker. Markey Foundation Postgraduate Course. University of California at San Diego. San Diego, California.
283. Invited Speaker. 50th Anniversary of the National Institute of Cardiology and the Inter American Society of Cardiology, Mexico City, Mexico. April 1994.
284. Invited Speaker. Japanese Society of Phlebology. Pulmonary Embolism, Hirosaki, Japan. May 1994.
285. Visiting Professor, Chiba University, Chiba and National Cardiovascular Institute, Osaka Japan. May 1994.
286. Invited Speaker. Seventh National Congress of the National Academy of Medicine, Mexico City,

- Mexico. June 1994.
287. Invited Speaker. Clinica Biblica, San Jose, Costa Rica. August 1994.
 288. Invited Speaker. World Congress of Cardiology. Berlin, Germany. September 1994.
 289. Visiting Professor. Butterworth Hospital, Michigan. September 1994.
 290. Invited Speaker. Heart and Lung Transplantation CME Lecture. Enzino, California. September, 1994.
 291. Invited Speaker. Transplant in the Changing Times: Looking to the Future. Society of Heart and Lung Transplant Society Workers. San Diego, California. October 1994.
 292. Invited Speaker. Future Trends in Cardiovascular Medicine. Granada Hills Community Hospital GHCH/UCLA Heart Center. Los Angeles, California. November 1994.
 293. Invited Speaker. Twin Cities Cardiovascular Society, Minneapolis. November 1994.
 294. Invited Speaker. Heart and Heart-Lung Transplantation. Sociedad Chilena de Cardiologia y Cirugia Cardiovascular Annual Meeting. Santiago, Chile. December 1994.
 295. Invited Speaker. The Past, Present and Future of Transplantation. First Annual Critical Care Symposium: Contemporary Issues in Organ Donation and Transplantation. San Diego, California. January 1995.
 296. Co-director and Speaker. Surgical Management of Thromboembolic Pulmonary Hypertension. University of California at San Diego Medical Center. Cardiopulmonary Medicine and Surgery: New Approaches to Diagnosis and Treatment. San Diego, California. January 1995.
 297. Invited Speaker. The Role of Radiology in Heart and Lung Transplantation. The California Society of Radiologic Technologists 57th Annual Conference. San Diego, California. February 1995.
 298. Invited Speaker. Surgical Management of Thromboembolic Pulmonary Hypertension. National Congress of Cardiac Surgery. Porto Alegre, Brazil. March 1995.
 299. Invited Speaker. Lung Transplantation. Surgeons Travel Club Meeting, Veteran's Administration Medical Center. San Diego, California. May 1995.
 300. Visiting Professor and invited Speaker. Aarhus, Denmark. May 1995.
 301. Invited Speaker. Cardiac Transplantation and Newer Medical Therapeutic Options for the Patient with End-Stage Heart Failure and Cardiac Transplantation. Where We've Come From and Where We're Going. The University of California at San Diego. Heart Failure in 1995. San Diego, California. June 1995.
 302. Invited Speaker. A Review of 600 Cases of Pulmonary Thromboendarterectomy - Indications and Results. International Society of Cardiothoracic Surgeons; Fifth World Congress. Puerto Rico. June 1995.
 303. Invited Speaker. Surgical Management of Thromboembolic Pulmonary Hypertension and Heart Transplantation. XVI Congress of the Society of Cardiology of San Paulo. San Paulo, Brazil. June 1995.
 304. Invited Speaker. Organ Transplantation. University of San Diego. The University of the Third Age Program. San Diego, California. July 1995.
 305. Invited Speaker. Pulmonary Transplantation. National Institute of Respiratory Disease. XXVII Congress Surgery and Medicine. Mexico City, Mexico. September 1995.
 306. Invited Speaker. Clinical Management of Severe Pulmonary Hypertension and Transplantation Surgery. The First International Colloquium of Pulmonary Hypertension. Barcelona, Spain.

- September 1995.
307. Invited Speaker. Mercy Medical Center Surgical Grand Rounds. Heart/Lung Transplantation. San Diego, California. November 1995.
 308. ACCEL Interviews. “ Pulmonary Thromboendarterectomy for Thrombotic Pulmonary Hypertension”. American Heart Association’s 68th Scientific Sessions. Anaheim, California. November 1995.
 309. Invited Speaker. American Heart Association’s 68th Scientific Sessions. Anaheim, California. November 1995.
